Fines...

Ann and Bob Simpson, for a Florida/South Carolina

jaunt to visit family (well, of course!) and attend a rainy wedding. **Paul Reed** joined in to complain of poor weather in Florida, dampening his golf game; and **Peter Heinrich** contributed for his semester's work with RIT's American College of Management and Technology in Dubrovnik, Croatia.

...**And Happy Dollars/Confessions:** **Ken Poole** was happy to report on the experiences of former exchange student **Elyse Whitehead's** experiences in India; and doubly happy to report that **Patti Simon** was visiting Buckingham Palace (that very day!) as part of a scholarship trip. **Bruce Treat** fessed up to a Florida golf outing with buddies. **Andy Harkness** confessed to “a typo” in last week's Peal, when **President-Elect Linda Collins** was identified as “**Linda Poole**.” (Apologies to both...) And we were all pleased to learn that **President Jack** was chosen to the New York State Bowling Hall of Fame.

Program: CA Brings Broadway to Rotary: “Les Miserables” Preview

CA's **Scott Schauman** arrived with more than twenty cast members from Canandaigua Academy's current musical, “*Les Miserables*,” being performed at CA's Academy Theatre on March 12,13,14, 19 and 20.

Accompanied by CA Vocal Music Director **Amy Story** and piano accompanist **Anthony D'Agostino**, members of the two casts performed a generous sampling of some of this show's magnificent music. Scott is celebrating his 20th year at CA with a reprise of “*Les Miserables*,” his favorite show, with the a wonderful cast which includes his daughter **Megan Schauman** as Fantine.

Highly talented cast members shared selections including “*I Dreamed a Dream*,” “*Fantine's Death: Come to Me*,” “*Take My Hand*,” “*Master of the House*,” “*Red and Black*,” “*Do You Hear the People Sing*,” “*In My Life/A Heart Full of Love*,” and “*On My Own*.”

After the program, **Jean Logan** spoke for all of us when she praised the Broadway quality of each performance and encouraged members and friends to get out and enjoy this remarkable production by CA's students and to support the CA Theatre program.

Scott can be proud as Director (and father); we can be proud to live in the same community with so many people with so much talent!

50/50 – Joker Draw: **Carl Miller** took the \$18, and **Gary Francis** garnered the King of Diamonds.

President Jack's Thought for the Week:

We are slapped when we come into this world, and they shovel dirt on us in the end. This is our life, everyone's life. But what really matters is what happens in the middle: that we are passionate people, that we are caring people, that we “**LIVE!**”
