Today's Program: President **Jack Moran** presented his “Year in Review”. The list of the past year's events and accomplishments covered nearly two pages, two columns each page, single-spaced. This list is a testament to the activities of the Club, but, even more, is a tribute to his leadership and activity. He acknowledged the District's challenge of establishing morning meetings, the noticeable success of periodic “assigned seating” in bringing the Club closer together, and the transition of the Pier Dance to the Pier Festival, now an event of great service to so many not-for-profit organizations. His only disappointment was the temporary loss of the Salvation Army Bell-Ringing Award to Kiwanis. Membership under Jack's leadership grew by 16, now totaling 145. Jack expressed his thanks to all Rotarians for their service to the Club and the community. The Club responded to President Jack's review with a well-deserved standing ovation and extended applause.

One Last Hurrah: Sergeant-at-Arms **Kirk Locus** noted that, on this last meeting of his Presidency, fines and happy dollars totaled more than from any other meeting during the year!

Drawings: **Paul Harvey** removed the jack of hearts from the deck; guest **Kimberly Williams** won the daily prize of \$13.00.

Thought for the Day: “The ups and downs and the hurdles of life are what make us who we are. They teach us so much, give us insight on life lessons and give us the strength we need to hold on.”

GREAT JOB, WELL DONE!

THANKS, PRESIDENT JACK, FOR THE HARD WORK, GREAT RESULTS, AND JUST PLAIN GOOD TIMES WE HAVE ENJOYED UNDER YOUR INSPIRED LEADERSHIP!
